## 2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

## 2024-25 School Description and Mission Statement

Reading program that encourages our readers from grades K-8 to continuously read, challenge themselves, and be recognized for their achievements. We maintain a robust garden program, and provide middle school electives in agriculture, computing, drama, personal finance, and student government.

We also have competitive athletic teams beginning at grade three. We offer volleyball, cross country, basketball, cheer leading, and track. We have a ski and snow boarding club that is open to students in grades K-8.

Our after school program offers a safe environment along with tutoring, crafts, computer lab, healthy snacks, and character education activities.

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Our school sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program as well as to provide all students have a textbook and/ or workbook they can take home as needed in the four core areas. All textbooks and instructional materials used within the school are aligned with the California State Content Standards and Frameworks. We follow the seven-year cycle for each content area on State Instructional Materials Adoption Cycle.

Our current curriculum adoptions are as follows: <https://secure.doc-tracking.com/v2/Home/DocumentSectionEditRteTest.aspx?DefId=191926&SectionId=2753569>

- \* Reading/Language Arts, 2014/15 adoptions
- \* Mathematics, 2015 adoption
- \* Science, 2016 adoption
- \* History-Social Science, 2018 adoption
- \* Health, 2019 (based on Developing Framework)
- \* Physical Education courses aligned to Standards adopted in 2004

A committee consisting of teachers establishes textbook selection criteria based on the California Frameworks and content standards, reviews instructional materials on the state list, and makes recommendations. Textbook publishers are selected and then piloted by teachers. Recommendations are made and materials are selected for adoption. Those materials are made available for public review at the district office.

Other Resources: The school's library has numerous educational and recreational books that are available for students to check out. Each student in grades TK through 8 have an individually assigned laptop with access to high speed, broadband, internet service.

## School Facility Conditions and Planned Improvements

Our school facility was inspected in December 2024 by Matthew Dustan and Kary Goolsby, receiving a good rating using the California Facility Inspection Tool. Upgrades/repairs are scheduled to be completed in a timely manner. A new roof was completed the summer of 2015 and was inspected and in excellent repair December 2016. These findings will be discussed with the Safety Team in February 2025.

Montague Elementary School employs a maintenance and operations person who oversees the safety, cleanliness, and adequacy of school facilities. Montague Elementary School also employs a .5 FTE custodian to make sure the school is clean, safe and in good operation.

The Maintenance and Operations Manager inspects the buildings and grounds and meets with the maintenance staff, custodians, and cooks on a monthly basis to make sure everything is working correctly and the classroom, bathrooms, cafeteria and all other parts of the school are being cleaned properly. Continuous work is being completed on school site to maintain safety. New blacktop in parking lot and playground was completed during summer of 2021. A school modernization project to update improve ADA compliance and install new HVAC in the main building classrooms is underway and scheduled to be complete by March 2025.

The district received DSA approval for the construction of a new 3200 square foot TK/Kindergarten building that is scheduled to be constructed and available for instruction by the 2026/27 school year.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	50	39	50	39	46	47
<b>Mathematics</b> (grades 3-8 and 11)	41	40	41	40	34	35

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

Parent involvement opportunities exist at virtually every level of the school. Parents are encouraged to attend parent conferences, athletic events, performances, and field trips throughout the year. Progress reports and trimester grade reports are mailed home and parent conferences are held once per year, and on an as needed basis. Parent representatives are elected to serve on the School Site Council (SSC). The SSC meets each month and provides feedback to parents. In addition the Title I program holds annual parent informational meetings and conferences sponsored by the Siskiyou County Office of Education to keep parents informed of opportunities and developments within these programs. We also have an active PTO that raises funds to help support student activities. Parent Involvement is essential to the success of our students. Please contact Jennifer Dooley, school secretary, for information 530-459-3001.

## Fiscal Year 2023-24 Types of Services Funded

We spent an average of \$11,088.97 in 2023-24 to educate each student. The figures shown in the table above reflect the direct cost of educational services, per Average Daily Attendance (ADA), excluding food services, facilities acquisition and construction, and certain other expenditures. These calculations are required by law annually and are compared with other districts statewide.

In addition to general fund state funding, we received state and federal categorical funding for special programs, which include the following categorical, special education, and support programs:

- School Based Coordinated Program - EIA (Economic Impact Aid)
- Title I, Part A Compensatory Education
- Title II, Teacher Quality
- Title VI, Rural School Facility Construction
- Title VII, Class Size Reduction

## Professional Development

Professional development is an intentional process that gives teachers the ability to analyze the effectiveness of what they do, reflect on current practices while making adaptations when things are not going well in the classroom. Teachers will continue to learn and improve, just as students do. Staff members build teaching skills by participating in conferences, courses, workshops and professional learning communities throughout the year and then sharing their experiences and knowledge with their colleagues. There are 3 Professional Development (PD) Days included in the teacher contract each year. Teachers are encouraged to attend PD during the summer as well and are provided funding to do so. The following topics were discussed:

- Reading Language Arts
  - Math
  - Writing
- \* Common Core State Standards
  - \* Discipline
  - \* Intervention
  - \* Professional Learning Communities
  - \* Technology

This table displays the number of school days dedicated to staff development and continuous improvement.
