School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: December 2019

Our school sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program as well as to provide all students have a textbook and/ or workbook they can take home as needed in the four core areas. All textbooks and instructional materials used within the school are aligned with the California State Content Standards and Frameworks. We follow the seven-year cycle for each content area on State Instructional Materials Adoption Cycle.

Our current curriculum adoptions are as follows:

- * Reading/Language Arts, 2014/15 adoptions
- * Mathematics, 2015 adoption
- * Science, 2008 adoption
- * History-Social Science, 2006 adoption
- * Health, 2004 (based on 2002 Framework)
- * Physical Education courses aligned to Standards adopted in 2004
- * VAPA based on 2003 Framework (adopted materials will be out in 2006),

A committee consisting of teachers establishes textbook selection criteria based on the California Frameworks and content standards, reviews instructional materials on the state list, and makes recommendations. Textbook publishers are selected and then piloted by teachers. Recommendations are made and materials are selected for adoption. Those materials are made available for public review at the district office.

Other Resources: The school's library has numerous educational and recreational books that are available for students to check out. The Siskiyou County Office of Education AV department has a large collection of video and audiotapes for classroom use as well as CD and Video Disks. Computers in the classroom are connected to the internet for staff and student access to resources and information.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our school facility was inspected in January 2019 by Darrell Williamson and Matthew Dustan, receiving a good rating using the California Facility Inspection Tool. Upgrades/repairs are scheduled to be completed in a timely manner. A new roof was completed the summer of 2015 and was inspected and in excellent repair December 2016. These findings will be discussed with the Safety Team in February 2019.

Montague Elementary School employs a maintenance and operations person who oversees the safety, cleanliness, and adequacy of school facilities. Montague Elementary School also employs a .5 FTE custodian to make sure the school is clean, safe and in good operation.

The Maintenance and Operations Manager inspects the buildings and grounds and meets with the maintenance staff, custodians, and cooks on a monthly basis to make sure everything is working correctly and the classroom, bathrooms, cafeteria and all other parts of the school are being cleaned properly. Continuous work is being completed on school site to maintain safety. New blacktop in parking lot and playground was completed during summer of 2016. Modernization Plan is being developed by Siskiyou Design Group to replace dated boiler system and improve waste water drainage.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	23	23	23	23	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parent involvement opportunities exist at virtually every level of the school. Parents are encouraged to attend parent conferences, athletic events, performances, and field trips throughout the year. Progress reports and trimester grade reports are mailed home and parent conferences are held once per year, and on an as needed basis. Parent representatives are elected to the serve on the School Site Council (SSC). The SSC meets each month and provides feedback to parents. In addition the Title I program holds annual parent informational meetings and conferences sponsored by the Siskiyou County Office of Education to keep parents informed of opportunities and developments within these programs. We also have an active PTO that raises funds to help support student activities. Parent Involvement is essential to the success of our students. Please contact Jennifer Dooley, school secretary, for information 530-459-3001.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Professional development is an intentional process that gives teachers the ability to analyze the effectiveness of what they do, reflect on current practices while making adaptations when things are not going well in the classroom. Teachers will continue to learn and improve, just as students do. Staff members build teaching skills by participating in conferences, courses, workshops and professional learning communities throughout the year and then sharing their experiences and knowledge with their colleagues. There are 3 Professional Development (PD) Days included in the teacher contract each year. Teachers are encouraged to attend PD during the summer as well and are provided funding to do so. The following topics were discussed:

- Reading Language Arts
- Math
- Writing

* Common Core State Standards

* Discipline

* Intervention

* Professional Learning Communities

* Technology
